LeetCode: jayaraj0304

EDUCATION

- VNR Vignana Jyothi Institute of Engineering and Technology** Hyderabad, India
Bachelor of Technology -Computer Science - Data Science; CGPA: 8.35 2024 - 2027
- Andhra Polytechnic** Kakinada, India
Diploma in Computer Science Engineering; CGPA: 8.33 2021 - 2024

SKILLS SUMMARY

- Programming Languages:** Java, Python, C, C++
- Frameworks & Libraries:** React.js, Next.js, Tailwind CSS, Node.js, Express.js
- Machine Learning:** Supervised Learning, Unsupervised Learning, Model Training, Model Evaluation, Feature Engineering
- Databases:** MongoDB, MySQL, Firebase, Supabase
- Tools & Platforms:** Git, GitHub, VS Code, Power BI, Tableau
- Design Tools:** Figma, Canva
- Academic Coursework:** Data Structures, DBMS, Operating Systems, Computer Networks, OOPS
- Soft Skills:** Leadership, Event Management, Creativity, Task Prioritization

PROJECTS

- AI Recruiter – Automated Hiring Platform:** Built an AI-driven recruitment platform with automated resume parsing and candidate shortlisting to reduce HR workload and speed hiring. Orchestrated multimodal interviews using Gemini and Vapi and deployed a low-latency Supabase system.
- MySQL Chat AI Assistant:** Developed an interactive MySQL chatbot, connecting to live databases and interpreting user prompts to generate SQL queries, displaying results instantly and improving non-technical user database accessibility. The project contains under 1000 lines of code.
- Saarthi– Smart Document Intelligence Assistant:** Engineered an AI document assistant with OCR, translation, summarization, and metadata extraction. Developed bilingual Q&A using LangChain and Gemini, automated workflows with n8n, and integrated low-latency semantic search using Supabase pgvector for efficient RAG.
- EcoGamify – Gamified Learning Platform:** Created a gamified environmental learning platform using Next.js, TypeScript, Three.js, 3D models, and GSAP. Designed multi-level educational games with policy simulation, coding challenges, and interactive conservation experiences.

ACHIEVEMENTS

- HackRevolution – 2nd Place :** Secured second place in an inter-college hackathon by developing a gamified e-learning platform with interactive lessons, strong user engagement, and notable technical innovation.
- SIH Hackathon Winner:** Won the institute round and qualified for Smart India Hackathon 2025 finals, delivering impactful innovative solutions collaboratively.
- Hacktoberfest Super Contributor:** Made 10+ valuable pull requests to major open-source organization repositories, contributing meaningful improvements and earning official Hacktoberfest swags.
- Top 9 National Rank:** Secured 9th place in Tutedude’s Web Development Hackathon 1.0 for StallOS project, showcasing advanced web development expertise and creativity.
- LeetCode:** Achieved a contest ranking of **1619**, placing in the **top 15%** of global participants.

CERTIFICATIONS

- Oracle Cloud Infrastructure Generative AI Professional – Oracle:** Earned certification in OCI Generative AI, demonstrating expertise in model deployment, prompt engineering, and secure cloud-based AI solutions.
- Smart Coder in DSA – Smart Interviews :** Completed the Smart Coder program, gaining strong foundations in Data Structures and Algorithms through rigorous practice and structured learning.
- MERN Stack Certification – Apna College:** Completed a comprehensive MERN Stack program covering MongoDB, Express, React, and Node.js with hands-on projects and full-stack development practices.

EXTRACURRICULAR ACTIVITIES

- Perform and practice rhythmic compositions on the **Roland Octapad SPD-30**, demonstrating discipline, coordination, and creative expression.
- Actively participate in technical hackathons, collaborating in teams to build innovative solutions under time constraints.
